REQUIREMENTS:

1. A camera that attaches to your computer (a web cam might also work).
2. A CD writing drive.
3. Legos.

WHAT TO DO?

1. Make a movie five (5) minutes maximum, if possible, one (1) minute minimum.
2. Use a program to make the movies so that you can access them off your computer as a data file.
3. Take the movie file that you made and write it as a data file to a CD-R.
4. Please do not make the CD a movie disc because sometimes it can't be taken off. Use a program that can write the files as data.
5. All movies due no later than September 1, 2009.
6. Please include names of your directors and film crews.
7. Please identify the program used to make the disk, if possible. Disk will not be returned, so only send a copy. Any material deemed inappropriate will not be used.
