

Rodgers House committee meeting

November 19th, 2012

Today's meeting was a work party, members present; Sue King, Kennette Roberts, Diane Cooley, Melanie Kett Wirtanen, Trisha Kett, Marilyn Hoyt, Jody Belgard and Loretta Estrada.

Christmas decorations were put throughout the house; the Christmas tree donated by Jody was decorated for the holidays. Dining room furniture was moved so the Christmas dinner could be held in one room this year.

We were given a Long Jockey for the yard and a Goose for the back porch, both donated by Jody Belgard. They were her mothers and she wanted to share them with the Rodgers House.

Saturday night was the Heritage Foundation's first formal dinner held in the Heritage Hall and it was a great success. The Rodgers House furnished a lot of the serving pieces for the dinner as well as Sue, Kennett and Loretta worked the event. We thanked God several times during the evening for the Rodgers House. It is the storage for so many things that are used for fair grounds functions.

After the house was finished the committee had dinner and held the meeting at the dining room table.

Upcoming tours: Heritage Christmas Fair; Tours will be 12-4pm. Friday: Trisha Kett- Saturday 12-4, Jody Belgard, Sunday 12-4 Rob and Marilyn Hoyt. I informed the ladies if there are not a lot of people touring the house to close it down and inform Ron.

January meeting will be taking the decorations down and having a house cleaning and tank house organization party. The tank house is a mess! To put it lightly.

Upcoming project: Jim Rector is to be contacted and we need to get a bid on having the house painted. Diana wants it to be in steps. When the house is painted we will do the gazebo as well. Loretta will contact Jim and the process will get started. We need to get a bid and we want the house painted in the spring.

Meeting adjourned at 6 pm.

Chairperson

Loretta Estrada
