

Rodgers House Committee meeting;

Sep. 25, 2013

The meeting today was to brain storm the events that took place at the 2013 fair. What went right and what needs to be addressed. Since we only had 3 people at the meeting no decision was made regarding the times we should be giving tours.

Present, Sue King, Linda Lorenza, and Loretta Estrada. We wanted to say thank you to Trisha for sending out all the thank you cards to the volunteers and docents at the fair.

We were shocked at the rocks scattered all over the Gazebo and patio and porch. Sue talked to Lynn about the damage, and I did to after the meeting.

The evening tours went well, but if we do them again, we do not want to have any tours at all, just let people come into the kitchen, then a walking tour of the house. The Gala: It was well received, and we did a lot of work to make the house an addition to the event.

Hours for tours: We should change to 2-6 on Tuesday, Wed. and Thursday, having a 4 hour shift for tours. We would only need 2 guides and 2 sign up workers. (If we want to give evening tours it would be on Friday night. Tours from 2-6 normal tours 6-8 for evening walk through. Same for Saturday, but just tours from 2-8 two 3 hours tours. These are just some thoughts; we have plenty of time to decide.
