RE: 2015 Fair Time Camping Rates - Livestock

BACKGROUND:

The Board previously approved the 2015 Fair time camping rates as recommended by management. The recommendation was based on the lowest standard year around camping rates we charge. Upon further review with the livestock committee I recommend reducing the "tent camping rate" from \$90 to \$60.

Most of the tent camping is occupied by the participating youth.

FISCAL IMPACT:

Somewhere between

\$40 X 12 = \$480

\$40 X 20 = \$800

STAFF RECOMMENDATION:

Approve reduced rate now before the Entry Guide goes to print.
