

Rodgers house committee meeting

April 22, 2015

Members present: Sue King, Kennette Roberts, Trisha Kett, Melanie Kett Wirtanen, Connie Hernandez, Loretta Estrada and guest Dave Kegebein.

The DEW luncheon was discussed, thanks to Trisha we are invited to attend again this year, it is a nice function for ladies who are interested in Agriculture and the community.

Mora Door Company has fixed the 3 doors in the house, now they are more water and air tight. I put some brown calking on the floor where the water damage was.

Before the meeting we did some weed pulling, and at the meeting it was discussed at the May 27th meeting we will have a work day, everyone is to bring their tools and be prepared to work in the yard.

Melanie has been in touch with Rigo, he will be coming out to help us figure the irrigation system out.

The gazebo cement foundation has been installed thanks to Dave and his crew, now the replacement of the gazebo will take place and we can landscape around it. I talked to Kendall and he recommended carpet roses to be planted around the outside of the gazebo. We will try and white ones so they will go with any color a wedding may be.

Donations this month was a beautiful Aster clear huge tray by Mc Kee, value of \$160.00 and a Punch bowl , Pinwheel and stars by Smith, value of \$140.00 plus cups. The donation was by a local lady who passed away. It is beautiful.

Update on Jim Rector, he has been spending a lot of time at Stanford, but is feeling better.

Dave talked to the ladies about what is the going at the fairgrounds, status of the lawsuits, and a lot of information some of them did not know. We have a lot of upcoming events. We thanked him for the work he has done for us.

After the meeting, we discussed and planed the event coming up Sat. 25th, an overnight stay at the Rodgers House bought by the Peixoto family. Trisha worked in the yard and Melanie met with Dave.

Meeting adjourned.
