

Rodgers House Committee Meeting

March 23, 2016

Members present, sue King, Trisha Kett, Connie Hernandez and Loretta Estrada. As usual we started the meeting off by working in the yard. Connie had been there several hours before we arrived and had a lot of the patio area all ready raked and cleaned! What a great committee member. After we filled 4 garbage cans with waste and limbs we proceeded into the house.

Connie informed us she had ordered the glass top for the table from Delta Glass. Whatever the cost will be we will absorb it. We are waiting for Marilyn to bring the chair leg back so we can get it welded.

We discussed the successful Crab feed, a lot of the Rodgers House committee members were involved in the success of the dinner, and we worked really hard and glad to hear we made over \$50,000.00. I informed Trisha that Dave is working on the underground from the glass house, and then the pole come down and the new addition behind the Heritage Hall is getting closer, she was happy.

Sue will be having a shower along with Lynn Marsh Bailey sometime this spring. Lynn has donated a lot of things to the Rodgers House; she is also a family member of the Rodgers.

We discussed the hopes of having the family park at the Patty Smith Park, Connie said she will be in touch with a lady who may be interested!

Sue informed us Coast Produce received an award of \$100,000.00. They have been such good supporters of the Santa Cruz County fair. Again this year they donated all the produce for the Crab Feed. Something they have done so many times during the last 25 years. The first Crab feed we had they donated the produce and we are going back 15 years!

So as you see, we are not only a working body of the Rodgers House committee, we are also very involved with the Fairgrounds. Just as it should be.

We also had a thought, why can not the barbeque be moved to the big lawn where it uses to be, move the Apple Pie contest and set up the Family Park BEFORE the Fair starts and it could run the entire fair.

Sincerely, Rodgers House Committee Chairperson
