

Rodgers House Meeting

February 22, 2017

Members present, Sue King, Kennett Roberts, Connie Hernandez, Trish Kett and Loretta Estrada. The main focus of the meeting was the discussion of the possibility of an upcoming event for the Rodgers House, concerning a High Tea and purse display and fundraising. After a lot of discussion of how, when, why and many other concerns we decided to postpone the function until next year. To have a garden party in 6 weeks was looking pretty dim with the weather being so wet and the gardens are not in good shape. So after much discussion we voted to just wait and do something later with our purses.

Connie is going to try and see if we would have some success on EBay. We would like to have approximately 100 guest come to the function, and if we each bring 20 names to a meeting we can create an invitation list. There is a possibility of having a booth during the Christmas fair and sell some of them as well. So many options, so following my instincts we will discuss the whole matter at a different time.

The meeting started and ended with us working in the wet yard. A lot of plants have been taken out and some put in, it is a never ending working in progress.

We discussed the crab feed coming up, Trisha will help me on Friday get set up, she will not be able to attend this year due to the obligation to a function she must attend with her husband, and she did bring 2 baskets for the silent auction.

I informed the meeting Diane had called me and informed me she had turned down a donation of a piano. It belonged to the house originally but was a simple piano and the one we have now is such a beautiful instrument we do not want to change. We do not need 2 pianos.

A Mary Pitman had called and has a diploma from James Rodgers and I put Trisha in charge on getting in touch with her. I had called but had not received a return phone call from her.

Meeting was over and we excused our selves at 4; 30 from working in the yard.

Sincerely

Chairperson

Loretta Estrada
